Rental Option Descriptions

Our Pavilion

Excellent rural venue. Perfect for a small corporate event, catered luncheon, team meeting, brainstorming session, group outing or celebration.

Our pavilion is located in a beautiful area of the property out by the vineyard. It is equipped with a side-by-side refrigerator, two wine refrigerators, WI-FI, tables and chairs, 55" television, ceiling fans, a hand washing sink, bar area and wood burning stove. Outside, it has a brick patio with awnings to protect from sun and rain.

The pavilion can accommodate up to thirty-five people seated inside and more if not all seated. The windows can be removed to allow additional seating for 15 or more on the brick patio. It is shaded by plenty of trees and is within walking distance of the winery and public patio.

Our Outdoor Covered Patio

Great for bridal showers, birthday parties, anniversaries or anytime you want to get a group together and celebrate!

Our covered patio is nestled against the treed area of our property. Rental includes tables and chairs and can accommodate up to forty people. The patio has electrical outlets and overhead lighting. Sides are available upon request. This area is adjacent to our main patio space with easy access to the tasting room.

Our Bridge

Planning a small, intimate wedding or looking for a place for wedding pictures?

Our bridge is located between the winery and the pavilion. It is over a lovely, shady ravine with a view of the pond. Reserve this picturesque spot.
